Respected Sir,

Grant of a Free site for the hostel building in Kumara Park for the Halenadu Karnataka Brahmana Sangha in Bangalore City

In inviting your kind reference to my application dated 27-11-1944 selecting site No 33,34,35 and 36 measuring 200' x 132' in Kumara Park for the above Sangha as ordered by your good self on 2-11-1944 when a memorial was submitted to you on behalf of the above Sangha, I beg to state that the sites selected have not yet been handed over to the Sangha. I, since understand that the sites selected have been disposed off otherwise, as there was no direction from Government authorising the Engineer Officer in charge of the City Improvement Trust Board, Bangalore City to hand over the sites selected by the Sangha

It is needless to mention here that with the best of our efforts we have not been able to show sufficient progress by reason of extreme poverty and financial backwardness of our community as already mentioned in our memorial of 3-11-44 submitted to you The grant of a free site to the Sangha by the Government will create an incentive both to the Doners and members of this community to subscribe for the building fund

I therefore beg to request you to kindly direct the Engineer Officer in charge of the City Improvement Trust Board, Bangalore City to hand over site Nos 10 to 17 inclusive to the above Sangha very early Every endeavour will be made to construct the hostel building within a period of three years from the date of handing over the sites failing which the site given may be resumed by Government On this condition, the sites now applied for may be kindly sanctioned

I solicit the favour of your kind orders

I beg to remain,
Sir,
Your most obedient servant,

N Ramaswamy

I, since, understand that the above sites selected have been disposed off otherwise I therefore request you to kindly allot us site Nos 10 to 17 inclusive in Kumara Park free of cost for construction of a suitable Hostel building for the students of this community

With the best of our efforts we have not been able to show sufficient progress by reason of extreme povrty and financial backwardness of our community as mentioned in our memorial of 3-11-1944 to the Dewan and Ministers As the hostel buildin_ has to be constructed by obtaining donations from the generous and philanthropic persons, I request you to kindly sanction the above sites free of cost to our Sangha to enable us to collect the donations for the constructions of the hostel building The grant of a free site to our Sangha ill create an incentive both to the doners and the members of our community subscribe liberally and to expedite the construction of a hostel building
